

DESCRIPTION

Beautiful building plot 5.14 ares in a quiet environment located in a peaceful subdivision of the DOMAINE KIERCHPAD, in the heart of the village of LEUDELANGE, this building plot offers a great opportunity for the construction of a house free of 4 sides. The plot is sold without a building contract, leaving you free to choose your architect and contractor. An enclosed shell is already present on the plot - to be rebuilt or demolished according to your project. A rare opportunity in a sought-after residential setting. Domaine Kierchpad is a quiet housing estate close to: Restaurants, crèche, school, shopping area, playground, bus stops..... as well as 10 min from Luxembourg-City and the Geesekneppchen school complex (International School, Lycée Athenée..... etc).
